

QUALITY MANAGEMENT SYSTEM QUALITY POLICY	Form reference:	AB-QM-03
	Approved by:	Brian Rajchrt
	Revision number:	5
	Page	1 of 1

The Quality Policy of Aluglass Bautech is to provide high quality acoustic, sun control and glazed products for the construction industry.

The Fountain Road site specifically manufactures or warehouses:

- Variflex® acoustic partitions
- Varikust® acoustic doors & acoustic fire doors
- Varifold® non-acoustic sliding folding doors
- Solamark® awnings
- Solux® technical sun control products
- Seves® imported glass bricks
- Fabricmate® absorption panels

The Copper Road site specializes in manufacturing:

- Glassflex® aluminium fenestration products
- Glassflex® GF Serene acoustic glass partition system
- Showerflex® shower glazing.

A professional and efficient installation service ensures the satisfaction of all the requirements of our clients.

Goods and services will be produced as per the customers' requirements, in accordance with regulations stipulated by regulatory bodies, and the requirements specified by the organisation.

The Aluglass Bautech Management Team will show leadership and commitment to the Quality Management System and will undertake to ensure sufficient resources are made available within the organisation to achieve this. The Team will undertake to ensure through communication, engagement, practical example and training that Quality is the aim of all members of the organisation.

Every Aluglass Bautech employee is responsible for and will be trained to perform the quality duties required by his or her specific role.

The organisation has a Policy of promoting continual improvement and setting of Quality Objectives in line with the framework laid down within the ISO 9001 Standard. These objectives will address the risks and opportunities within the organisation as determined by top management.

The Aluglass Bautech Management Team will certify that the Quality Manual and the Standard Operating Procedures Manual accurately describes the Quality System in use within the Organisation to meet the requirements of ISO 9001.
